

REPORT FOR SGP RECRUITMENT COMMITTEE

May 3, 2001

By: Jerry Phillips

ACTIVITIES SINCE LAST MEETING

Set up exhibit, distributed sign up sheets and other information as well as promoted the list of companies signed onto SGP from Indiana at two recent conferences.

- Pollution Prevention for Electroplaters Conference on March 29, 2001
- IIOA Annual Conference on April 26, 2001

POSSIBLE FUTURE ACTIVITIES

1. Call SGP participants that have not completed their data reports for recent years and advise them that this information has not been received.
2. Call all SGP participants to encourage participation at quarterly meetings.
3. Mass mailing to 413/433 list to promote SGP.
4. Divide 413/433 list between current SGP participants for telephone call campaign.
5. Update brochure to include complete list of participants.
6. Additional meetings with POTWs and Metal Finishers in select cities to encourage participation with SGP.
